### Superintendent's Highlights

In June the District patrons passed a 10-year Plan Facility Levy for \$3.9 Million. A new gym-stage for A. J. Winters Elementary; science, music, and cafeteria for Bear Lake Middle School; and remodeled cafeteria, additional visitor dressing rooms; and a new roof at Bear Lake High School.

The Bear Lake High School Volleyball team repeated as State Champions, the Football team placed 3<sup>rd</sup> at State, the girls won their first ever State Basketball Title and took 2<sup>nd</sup> in State Softball. The boy's Baseball team won the District title and qualified for State; and numerous individuals represented the school in a variety of other events.

A "memorial" was erected to honor students, past and future, who have died while being enrolled in a District school. It was placed on the front lawn of Bear Lake High School.

### Progress Towards Meeting District Goals

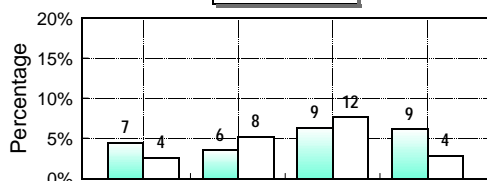

1998-99 Goals	Progress
Policy Revision	The District began a revision of policies. A committee meets regularly to edit, remove, adopt, and consolidate the policies of the District. About 80% of the work has been completed.
Physical Facilities	The passage of the levy has sparked much interest. Plans have been drawn for the three major projects and time lines established for implementation and completion.
Technology Update	Two new labs were put to use this school year in our elementary schools and a third was brought up to speed. A technology person will be hired to provide the necessary technical skills to keep things running.
Academics	Results of the ITBS showed an increase of 18% in our lowest category (32 to 39 percentile). The phonics program, accelerated reader, and Waterford programs are strengthening basic skills.
Safe School Drug Free	Six students were expelled near the end of the year when "copy cat" behaviors were exhibited in school after the Littleton, Colorado shootings. A drug testing policy was implemented at Bear Lake High School to assist students who have a problem.
